SHANGHAI MUNICIPAL POLICE  
C. I. D. REGISTRY  
No. 1. Q. D. 1.....  
Date.....1. 5. 29.

February 1st, 9

My dear Shelley,

With reference to your  
C.S.I. B/214 of January 29, inquiries show  
that Mr. George B. Gressay, American citizen,  
joined the staff of the Shanghai College and  
Middle School some five years ago as Professor  
of Geology. He is only a part time teacher and,  
when not engaged in College, travels extensively  
in North China collecting data regarding the  
flora and fauna of that part of the country.  
There is nothing in the Police records regarding  
him, but as far as can be ascertained he is a  
very respectable person who is undoubtedly sincere  
in his request.

The Shanghai College was established  
about 20 years ago by the American Baptist Mission.  
It is still controlled by this body, although the  
principalship has been given to a Chinese in  
consequence of the new Education Law of the  
Nationalist Government.

Yours sincerely,

Capt. J.P. Shelley,  
North China Command.
